MEMORANDUM

From: Brad Gilmer – Executive Director, AAF Association  
To: All interested parties  
RE: SchemaSoft License Terms

Please be advised that the terms of the agreement between the AAF Association and SchemaSoft Corporation allows us (the AAF Association) to make available the Object Code contained in `ssrw_c.lib` and/or `libSSRWC.a` under the following terms:

Use of Object Code

SchemaSoft grants a non-exclusive license in and to the Software in Object Code form:

- (a) to use and execute the Software for purposes of serving the Licensee's internal needs;
- (b) to make, use, reproduce, have reproduced, display, incorporate, bundle, import, offer for sale, sell, sublicense and/or otherwise distribute by any means now known or hereafter developed (including without limitation electronic software downloads), directly or indirectly through multiple tiers or channels on a worldwide basis the Object Code and Derivative Works thereof authorized to be made hereunder, in whole or in part, only as part of a Licensee Product, statically or dynamically linked thereto; and
- (c) to make, use, reproduce and distribute the Object Code or Derivative Works thereof for purposes of maintaining and supporting any Licensee Product,

provided always that any use, reproduction or distribution of the Object Code will only be in conjunction with and as a part, statically or dynamically linked, to the Licensee Product.
